Skate Tecumseh is a not-for profit organization, fully sanctioned by Skate Canada, the national governing body for figure skating in Canada. Our club is run by a small, but dedicated group of volunteers committed to offering affordable programs for all families in our community.

Our programs offer young people an important foundation in Canada's favourite pastime, ice skating. Our CanSkate, CanPower and StarSkate programs also offer each of our members an opportunity to learn and exemplify good sportsmanship, competitive spirit and a commitment to a healthy lifestyle. All in all, we believe that what we offer our members - important life skills - extends well beyond the ice and into our community.

We currently have over 125 skaters in our learn to skate program as well as 20 PreStar and StarSkaters. These girls (StarSkaters, and soon PreStars) are training for and competing in figure skating competitions across South Western Ontario, some even at the provincial level. One thing that has been getting in our way, is that we currently do not have an on-ice jump harness. This apparatus is attached to the ceiling of the arena and based on a pulley system a coach is able to help a skater attempt a jump, while supporting them so they do not fall to the ice. Many figure skating clubs in our area have a harness.

We have secured 2 quotes for different harnesses recommended by our coaches and other clubs. The quote we chose, with installation is approximately \$12 000. Through various fundraisers over the past 1.5 years, the skaters have earned \$3400 and continue to work hard raising money. We are asking for your help to get to our goal. We hope to have the harness installed this summer. **This is a unique sponsorship opportunity – a one-time donation gets you permanent sponsorship of our on-ice jump harness.**

Should you have any questions regarding sponsorship or Skate Tecumseh in general, please do not hesitate to contact Melanie George, President at 519-817-8569.
